

Column Array Speaker

TSG-LM40

40W Outdoor Column Array Speaker

IP44 rated enclosure for outdoor use | Aluminum housing for robustness | Excellent frequency response

The TSG-LM40 is a heavy-duty outdoor column speaker with excellent frequency response. These speakers deliver very high speech intelligibility as well as produce high quality music. These speakers are ideally suited for platform areas, basement car parks, high ceiling areas and small halls. The cabinets include a built-in transformer that offers a selection of nominal full power & half power. These speakers come with adjustable brackets to change the inclination and aiming of the speaker.
