

# Wall Mount Speaker

## TSG-WM6

### 6W Wooden Wall Mount Speaker

*Unique design | Wooden cabinet for better audio reproduction | Key holes for easy wall mounting*

The TSG-WM6 loudspeakers have been designed and manufactured for the most demanding customers as well as to meet the requirements of the most complex and sophisticated sound transmitting applications. The need to maintain the best acoustic parameters was the idea underlying the design process. Thanks to their wooden box casings the loudspeakers produce excellent sonic quality. Our loudspeakers are perfect on any circulation routes and in staircases located in shopping centers, offices, schools, hotels, hospitals, and industrial buildings

### Technical Specifications

**MODEL** TSG-WM6

#### Electrical
